

BENEFITTING YOUR EMPLOYEES

IMPROVING YOUR BOTTOM LINE

ATTENTIVE PROGRAM

The Attentive program is an innovative **employee benefits program** that gives you the ability to add benefits at **no cost** to your organization.

Our program creates **tax savings** for you and your employees, which provides them with money to purchase additional insurance.

All of this gives you the **competitive edge** to attract and retain valuable employees.

We offer **ease of administration** and dedicated account support.

FINANCIAL SAVINGS

The program generates **FICA savings** to your organization of \$570 per year on average for each participating employee.

For 100 employees, \$57,000 in payroll tax savings.*

Employees experience an average tax savings of \$1,800 per year, which enables them to select **additional benefits**.

For 100 employees, \$180,000 in additional benefits.*

***Based on average savings across all Attentive clients.**
